

## Thursday Evening, 26th March 2020

IMG is offering the opportunity for MESNZ members and interested persons to tour their Facility.

Come join us at IMG's East Tamaki branch for a tour of our facilities, we have a wide range of projects happening all around the workshops. We have the experience, track record, capability, resources, quality controls, and health and safety process to work in most heavy industrial sectors including pulp and paper, mineral processing, power generation, dairy, food and beverage, oil and gas, petrochemical and infrastructure.
